

What's Happening at FMS

October 23, 2015

Today is the end of first quarter! Our 7th graders have just returned safely from an exciting trip to Outdoor Science Camp. On this field trip students participated in hands-on learning experiences exploring 7th grade science standards like ecosystems and animal habitats. Basketball tryouts are next week on October 27-28 and open to boys and girls in all grades. If your child cannot attend both days, please remind them to inform Coach Chang for the boys team or Coach Young for the girls team. Please make arrangements for your child to be picked up by 4:30 on tryout days.

PTSA Reflections Program

The PTSA Reflections program is underway! This year's theme is "Let Your Imagination Fly." Students can create an original piece of art in several categories, including dance choreography, film production, literature, music composition, photography, and visual arts. An informational packet can be found in the announcements on the Foothills home page. For more information please contact Jennifer Jackson at jaxson72@sbcglobal.net.

Safety and Procedure Reminders

The Arcadia Police department has observed morning drop off and several drivers have received tickets. Please be advised that drivers are not permitted to pull over at a red curb to drop off a student and to never drop off a passenger in the middle of the street. Thanks for doing your part to keep our students safe!
