THIS WAS A GREAT WEEK!!

Today marks the end of Red Ribbon Week! Thanks so much to our wonderful PTSA for hosting such a successful and informative week. Some of the activities students participated in were a drug-free chalk decoration of campus and a book mark contest which incorporated this year's theme, "Respect Yourself. Be Drug Free." Winners of the bookmark contest received a certificate for a free meal at Islands, courtesy of the PTSA.

Our Highlander String Orchestra joined together with the other Arcadia schools to host the first middle school concert of the year at the PAC. It was a pleasure to see and hear our students perform.

We ended the week with our first dance of the year! We had a huge turnout from both students and parent volunteers. Thanks to the entire Foothills community for such a great week!

Highlander of the Quarter

Each quarter teachers and students recognize Highlanders of the Quarter. Students are nominated for exhibiting the positive "Highlander" characteristics - empathy, optimism, industriousness, acceptance, and tenaciousness. These qualities abound in our students and are a big reason why Foothills is such a wonderful place to be. Check out the website for a list of winners which were announced today.

Safety and Procedure Reminders

Please remember to pull forward as far as possible when dropping off your student in the morning. When cars stop in the middle of the drive other cars get caught in the intersection which creates more traffic for our community. Student pick-up on Oakhaven after school remains an issue. Please regard the no stopping/parking signs and make sure that you are not in violation.
